Top Tip!

Don't bring anything you don't mind getting dirty and remember to LABEL EVERYTHING!

Please pack using a small bag or rucksack

The children will have to carry their luggage at some point during the trip so please try and pack a light-weight hold-all.

Our volunteers also assist with moving luggage on site so we really appreciate it if the luggage is not too large or heavy.

This is simply a suggestion and polite request, please do not purchase something new.
