Hill End
A place of possibilities

HILL END FOREST SCHOOL Training Programme 2023 / 24

Hill End has been at the forefront of Forest School in Oxfordshire for decades, becoming the 'go to' Centre for outdoor training for generations of education professionals. We provide quality Forest School training in the beautiful, wooded surroundings of the Centre.

Our experienced and friendly trainers run rigorous, nationally recognised courses equipping practitioners to motivate and inspire their learners in challenging outdoor play environments.

PLUS!

- Outdoor First Aid
- Forest School Taster Days
- Refresher Courses
- CPD Courses
- Network Meetings
- Support and advice

Our modular training courses are nationally recognised and accredited by Open College Network West Midlands.

LEVEL 1 Award - Forest School Ethos and Principles

Intended for individuals with little or no experience of working in the outdoors with children or young people and whose aim is to build knowledge and confidence in the Forest School approach to learning, environmental impact and learners safety.

LEVEL 2 Award - Forest School Assistants

Aimed at individuals who wish to support an existing qualified Forest School Leader in a Forest School setting, and provides a more in-depth knowledge to the principles and practice of Forest School.

LEVEL 3 Certificate - Forest School Leaders

Enables practitioners to lead groups of children and young people. This course is suitable for individuals with experience and qualifications in working with families, children, young people/adults in the fields of education, community or environment.

Forest School Twilight Taster

What is Forest School? How can you introduce it to your setting, how does the training work? Discover the benefits of Forest School

Forest School Refresher Day

Aimed at Forest School Leaders who qualified some time ago or who just want a chance to practice their skills and feel inspired.

Outdoor First Aid Certificate

Suitable for Forest School Practitioners and those working in outdoor environments; for FS Leaders, or those training to become FS Leaders, focusing on outdoor First Aid with paediatric elements.
